Re: liquidation of the sub-fund Robeco Capital Growth Funds - Robeco QI Continental European Conservative Equities

Dear Shareholder,

We are writing to you as an investor in the sub-fund Robeco Capital Growth Funds - Robeco QI Continental European Conservative Equities (the "Sub-fund").

The board of directors of the Company (the "Board of Directors") has given consideration to the management of the Sub-fund and has decided to liquidate the Sub-fund on 10 May 2022 (the "Effective Date").

The purpose of this notice is to describe the reasons and effects of the decision to liquidate the Sub-fund.

1. Reason for the decision

The Board of Directors has decided to liquidate the Sub-fund considering that the total assets under management of the Sub-fund are less than the amount which the Board of Directors considers as being the minimum amount required for the existence of the Sub-fund in the interest of its shareholders.

2. Terms

In compliance with article 5 of the Company's articles of incorporation and section 3.8 of the prospectus of the Company, the Board of Directors has decided to liquidate the Sub-fund with effect as of 10 May 2022.

As of the date of this notice, subscriptions in the Sub-fund are suspended, the Sub-fund may deviate from its investment policy and the management fee is waived.

The last dealing date for redemption orders will be on 9 May 2022, orders need to be placed before the cut-off time of 15:00 CET. Please note that your distributor may adopt a different cut-off time. Shareholders may redeem their shares or convert their shares into shares of another Sub-fund managed by Robeco Institutional Asset Management B.V., the management company of the Company (the "Management Company"), at the transaction price and free of charge from the Company or the Management Company, until this cut-off time. Please note that your financial advisor or distributor could charge additional fees.

As of 10 May 2022, the Sub-fund will be liquidated and shareholders will subsequently receive their *pro rata* of the liquidation proceeds. The payment of liquidation proceeds will be instructed on 17 May 2022. As a shareholder, you will not have to undertake any actions in this process. The amount of liquidation proceeds per share for each class of the Sub-fund will be published on 17 May 2022 on the website of the Management Company: www.robeco.com/riam.

Assets that cannot be distributed to shareholders will be deposited as soon as possible after the closure of the liquidation with the Grand Duchy of Luxembourg's *Caisse de Consignation*, from which the relevant shareholders can claim them at any time within 30 years, after which they will become the property of the Grand Duchy of Luxembourg.
